**Temperament:** While I love to play frisbee in the park, around the house I am a real couch potato--while my family is out, I mostly just sleep! I don't bark much, maybe just if someone knocks on the door. I am gentle with kids and dogs of all sizes.

**Our Weekday Exercise Routine:**

Wake around sunrise for ~45 minute walk and fetch in nearby parks

Picked up by dog walker for ~3 hour-long excursion to beach for off-leash playtime

Evening walk for ~45 minute walk and fetch in nearby parks

**Our Weekend Adventures:**

Hiking, backpacking, parks, the beach--yay!

## TESLA

**Breed:** German Shorthaired Pointer

**Adopted:** February 2014

**Age:** ~3 years

**Size:** Medium (under 50 lbs)

**Training:**

*Training with Youngblood, SF, CA*

Basic Obedience and recall

*More to come--*

*I'm new!*

**Temperament:** Like my brother, Tonto, I am very lazy around the house. I mostly want to cuddle on the couch and snooze the day away. I almost never bark, it's too much work. You might mistake me for a senior dog--I am very calm. I love meeting strangers, as I can't get enough affection.
